Private applied lessons are held during 14 weekly private meetings with the instructor, and are available for variable credit. Students enrolled for one credit of study receive half-hour lessons. Those enrolled for two credits receive full hour lessons.

Students should consult the Applied Music Syllabus for general information about lesson requirements. Specific requirements will vary from teacher to teacher – students should consult their teacher for this information, including the scheduling of lessons and any repertory/studio classes connected with the lessons.

Attendance at all lessons is a course requirement. When possible, faculty will make up a lesson canceled prior to the lesson time. Missed lessons with no prior notice will not be rescheduled.

There are no refunds of Private Music Fees after the Add/Drop Deadline. If lessons are dropped during the Add/Drop period, you will be charged for all lessons you have taken (or missed) before you drop.

Please be sure you have also registered for your lessons on the web.

☐ I understand that there is a fee for Private Music Lessons that will be added to my UVM bill.
