NOTE A.—The light dotted perpendicular lines, which divide the spaces intended for numbers on this Schedule, are intended to separate the units, tens, &c., from each other, and the Enumerator should be careful that the figures are written within the small spaces so formed, thus:      1 2 3 4    the units  
in the right-hand small spaces.

**NOTE B.**—Make an affirmative entry by a striking line (thus /) in one column 2, if the occupier is the owner of the farm; in column 3, if he is the tenant at a fixed money-share of the product.
