

Preliminary Announcement

NSF Water Workshop: Water Dynamics

Hosted by VT EPSCoR

November 9—12, 2008
Sheraton Hotel and Conference Center
Burlington, Vermont
http://www.uvm.edu/EPSCoR/Water_Conference

The Vermont EPSCoR-sponsored Water and Watershed Dynamics workshop is intended to draw together researchers from NSF EPSCoR jurisdictions to share research interests and explore areas for developing collaborations.

Outcomes from this meeting will include shared knowledge, development of collaborations, awareness of the NSF opportunities for water research funding, improved competitiveness of NSF EPSCoR faculty for water research funding across the NSF directorates, and enhanced awareness of involvement of under-represented students in water research.

The workshop will address four overarching themes:

- ◇ Theme 1—Change Dynamics
- ◇ Theme 2—Water Research Tools
- ◇ Theme 3—Implications for Management
- ◇ Theme 4—Social Impacts
