## NOTES:

*Research highly recommended but not required
The following courses do not count toward the major requirements: HON 208, HON 209, and BIOL 298

## Distribution Requirements: B.A. degrees in the College of Arts and Sciences require completion of 7 distribution categories:

Fine Arts: one 3-credit course in a fine arts discipline
Foreign Language: two 3-credit courses in the same foreign language
Humanities: two 3-credit courses in a humanities discipline
Natural Sciences: two courses from specific departments; one course must include a lab
Literature: One 3-credit course in literature
Mathematical Sciences: One math course number 17 or higher, or Statistics 51 or higher, or Computer Science 008 or higher, or Philosophy 13, or Anthropology 113/Linguistics 163 or Linguistics 075
Social Sciences: Two 3-credit courses in social science disciplines

## General Requirements:

One Diversity Category 1 course - minimum 3 credits
One Diversity Category 2 course from list of D2 Non-European Cultures courses - minimum 3 credits
One Quantitative Reasoning course-minimum 3 credits
One Sustainability Category course - minimum 3 credits (BCOR 102 satisfies this requirement)
One Writing and Information Literacy course- minimum 3 credits
>>A TAP course will satisfy UVM's Writing and Information Literacy requirement and might also count toward a distribution.
>>Diversity courses might also count toward a distribution.
