

CHANGES

Your University of Vermont Paycheck

What is it?

Starting in April, you will see a new University of Vermont paycheck.

When will I start to see the new paycheck?

The payroll will be run using CATalyst/PeopleSoft after April 1, 2006. You can view the payroll schedule at UVM's Human Resources Web page by clicking on "Payroll/Records", "Payroll Schedules", then "FY06 Payroll Schedule".

What is different?

For those of you who have your pay deposited directly to an account or accounts, the only way you will be able to see your paycheck after April 1 is to log into CATalyst/PeopleSoft's Employee Self-Service function. You will no longer receive a paper stub in your UVM mailbox.

Will my current direct deposit information carry over into CATalyst/PeopleSoft?

Yes, any direct deposits you currently have will carry forward.

What if I need a copy of my paystub to apply for a loan?

As payrolls are processed in CATalyst/PeopleSoft a history of past paychecks will be built. Since CATalyst/PeopleSoft is a Web-based application you can log in from anywhere and print copies of your paycheck right at the loan desk.

Will I be able to view paychecks from before April 1?

You will only be able to view paycheck history for those payrolls run in CATalyst/PeopleSoft after April 1.

Anything else I should know?

When you look at your first paycheck produced with CATalyst/PeopleSoft you may notice that the net pay amount is different from your previous paystub. This is due to minor changes in how benefits are calculated. Your gross pay remains the same as before.

Flip over for a detailed look at how the new paycheck will appear and how it compares with the previous paystub.

For more information call Human Resources at 656-3150
