Seeking Undergraduate Mentors for
A UVM Health Careers Program
July 8—July 10, 2019

Health Education Resources and Opportunities (HERO) program is a year-round health career exploration program for students in the 9th through 12th grades from Burlington and Winooski High Schools.

The HERO Summer Experience is a 3 day, 2 night residential health career exploration summer program for students who are registered in the HERO program. This program takes place on the UVM campus and offers exposure to many health professions through job shadowing, workshops and discussions. Participants:

- Explore the variety of careers in health care
- Gain exposure to professional work environments
- Build skills and resources for health career pathways
- Learn from college faculty and mentors
- Experience residential life on a college campus

MENTORS RECEIVE A $650 STIPEND.
HOUSING & MEALS ARE PROVIDED DURING THE PROGRAM.
