NO EXPERIENCE NEEDED—WILL HAPPILY TRAIN THE RIGHT PERSON. Looking to expand your skills, add to your resume, AND earn some extra money? I’m looking for someone to provide care for my 15 year old son, who is diagnosed with Autism. He has limited verbal abilities AND can be a ton of fun! He enjoys adaptive bike riding, snowboarding and archery, absolutely loves music and being silly, and getting out to do things in the community. Must be able to pass background checks. We are a short walk from the bus line; having your own transportation would be ideal. Must be available to meet his bus at our home in Shelburne BY
3 p.m. on Wednesdays as well as any other afternoon (or evening) each week. More hours potentially available. Since he does have issues with transitions, I ask for a (school) year-long commitment to him. However, most of our PCA’s have stayed on for many years (he really IS that much fun😊😊). Would prefer FRESHMAN/SOPHOMORES, with the hope that you would become part of our family throughout your college career. The ideal candidate would be absolutely reliable, fun loving, and interested in learning about Autism in general and my son in particular. If this interests you, please let me know ASAP-I’m in need of someone by 9/6/17. You can reach me atmjustlaurie@aol.com. Or call/text (802) 310-7516.
