Seeking personal care provider for my mother to provide her company. She is a young adult (63) living with early onset Alzheimer's. She is a very active woman who enjoys running, playing tennis, basketball, bike riding, shopping, going to the movies, watching concerts and swimming. She is capable of eating on her own and taking care of her bathroom needs. However, her memory keeps her from driving and completing simple activities such as ordering from a menu or listening to complicated directions. She is a very joyous woman and loves being outside. She used to be a dental hygienist and enjoys talking about the medical field and research. We live in Georgia, Vermont and would love to have care providers come to our house. However, I am open to meeting care providers in Burlington or surroundings areas to take my mother on community outings or activities. Contact Marisa, mrvanaco@gmail.com.
