**PCA Needed for 12 Year Old Boy**

I am looking for a PCA for my 12 year old son. He is talkative, fun loving, and has varied interests, including sports, yoga, board games, and reading. I am looking for someone to provide afterschool care at my home every Wednesday, Thursday, and every other Friday from 2:45-5:45. Interested candidates should apply even if they are only available at one or two of the listed times! A good candidate will be able to pick him up from his school in Underhill, drive him to my house in Jericho, and then provide childcare until I return home from work at 5:45. Afternoons would be spent making a snack together, doing light homework, playing games, being active (inside and outside) and reading. He may sometimes engage in behaviors which would require behavior management strategies that would be discussed prior to the position beginning. This is a great opportunity for a college student! Get great educational and childcare experience! Pay up to $15/hour depending on experience. Text or email Scott: 802-373-2644 or shepvt@gmail.com
