Shared Living Provider Needed

Shared living provider needed for individual with a diagnosis of Athetoid CP who uses augmentative communication. Physical therapy, nursing or speech-language pathology background helpful but not necessary. This is a situation where the care provider would move into the individual's apartment with him. He has staffing and a respite budget so the individual would have a lot of free time for classes and college requirements. For more information, contact Shirley Donohue at 802-355-6094 or SDonohue@howardcenter.org.

Shared Living Provider Needed

A sociable young man is in search of a shared living provider or a couple to live with him and support him in his Burlington area home. He is a fascinating individual with a great sense of humor. He enjoys writing, listening to classical music, playing video games, watching The Simpsons, taking in a movie and much more. The provider needs to be comfortable with personal care, specialized care procedures, and willingness to learn augmentative communication techniques. Comprehensive training will be provided. This is a great opportunity to work with a team of skilled professionals. He has a dynamic and support team with in-home and community supports. Generous compensation and regular respite provided. For more information, contact Jess Rodrigues at jrodrigues@howardcenter.org or by calling (802) 488-6372.

Shared Living Provider Needed

In search of either a couple or one individual looking to make this their full time work, for a gentleman who has eyes-on care needs. He is a fun loving, creative, and humorous individual that also loves to care for others. He likes hands-on projects and cooking! What he is looking for is someone to have structure in their routines, soft but ability to create clear boundaries, and who is able to understand trauma. He is asking that there be no children in the home and if there are pets, great, he loves animals! For more information, contact Jess Rodrigues at jrodrigues@howardcenter.org or by calling (802) 488-6372.
Shared Living Provider Needed

Seeking a live-in support provider to support a 30-year-old man who enjoys taking walks, playing music, helping others and participating in hands-on activities. This individual is seeking a roommate to share a furnished and centrally located home in Essex Junction. This includes 2 bedrooms, 2 bathrooms, a washer/dryer, and convenient off-street parking. The right provider will have strong boundaries, clear communication, and work well in a team setting, experience working with individuals who have developmental disabilities, and have the ability to provide on-going supervision in support of building independent living skills. This would be an ideal opportunity for a peer-aged professional or graduate student. Compensation: $40,000 tax-free annual stipend and generous respite budget. For more information, contact Jess Rodrigues at jrodrigues@howardcenter.org or by calling (802) 488-6372.
