

The Society of Nematologists and
Soil Ecology Society Conference
UVM Davis Center, Burlington Vermont
July 12-15, 2009

Announcing the
Forty-eighth Annual Meeting of the Society of Nematologists
and the
Twelfth Biennial Meeting of the Soil Ecology Society

July 12-15, 2009
The Davis Center, University of Vermont
Burlington, Vermont

CALL FOR PAPERS

The Society of Nematologists (SON) and the Soil Ecology Society (SES) are excited to announce a joint meeting between SON and SES to be held at the Davis Conference Center, on the campus of the University of Vermont in Burlington, Vermont from Sunday, July 12 through Wednesday, July 15, 2009. Members and non-members of SON and SES **are invited to submit abstracts** of papers they intend to present either as a poster or an oral presentation or, if an invited speaker, as a contribution to one of the symposia. For all types of presentations, abstracts must be received on or before the deadline: **Wednesday, April 1, 2009.**

The Program and Abstracts booklet will be prepared from the abstracts received and will be available at the meeting registration desk. In addition, all abstracts will be accessible on the meeting website and published in the *Journal of Nematology*. Participants **must have their abstracts reviewed by two colleagues and submit** a check (payable to SON), purchase order number, or credit card information, for **\$35US per abstract** to cover costs for presentation of the abstracts.

Students should note that all student papers submitted for judging must be clearly designated as either a SON or SES Student Oral Paper Presentation or Poster on appropriate drop-down menus.

Instructions for submitting abstracts and further information about the meeting can be accessed from the meeting website at:

<http://www.uvm.edu/conferences/sonsesconference/>

**Please join us for an informative and memorable meeting
at the University of Vermont, overlooking beautiful Lake Champlain**
