

2016 7th Annual Hop Conference

HIGHLIGHTS

Join us for our **7th Annual Hop Conference**. You will learn about agronomics and fertility management from **Sarah Del Moro of John I. Haas, Inc.** in Washington. Several hop growers will be guest speakers including **Nathan L'Etoile from Four Star Farms, MA** who will share information on scaling-up production, **Dan Wiesen from Empire Hops, MI** who will present on efficient hop yard management, and hop grower and **British Hop Association Board Member Richard Phillips** will talk about disease management strategies used in Europe.

You will also hear updated research information from **Heather Darby and the UVM Extension Northwest Crops and Soils Team**, as well as from **Steve Miller from Cornell University**. Register today!
