

OPERATION: Military VERMONT

Dear Parent or Guardian,

Operation: Military Kids Vermont would like to recognize your child as a hero for the sacrifice he or she is making by sending a parent or loved one to serve overseas. When a parent or loved one deploys, the kids serve, too! We would like to recognize that service by presenting your child with a Hero Pack filled with items designed to celebrate your child and maintain contact with your deploying loved one.

Hero Packs can be delivered to a child individually or as part of a group of military kids who are all being recognized as heroes. A Hero Pack delivery is a great way to share the pride with your child's school, faith community, or special activity group such as Scouts or sports. Parents may choose to have the packs delivered at a special activity, at school, or at a place of worship because friends and family appreciate the opportunity to share in this moment and show their support.

We can only deliver a Hero Pack with your permission. If you would like your child to receive a pack, please complete this form, fold and return it to the address printed on the reverse side. We will contact the address below and make arrangements to celebrate your hero with a delivery of a Hero Pack. We will also share the date and time with you.
