In an effort to reach a larger number of volunteers than normally come to county leader meetings, UVM 4-H is offering a monthly 30 minute webinar series during the lunch hour. Beginning on October 11 and continuing the second Friday of each month, we will gather virtually to share information relevant to the 4-H club program, from 12:15pm-12:45pm. These webinars will be recorded and posted to our website for later viewing. We hope you bring your lunch and join us as often as you can.
