The Dairy Challenge is open to all youth ages 8-18 as of January 1, 2018. Come join in the fun and test your knowledge of all things dairy!

If you turned 8 anytime in 2017, please come and participate as this contest counts for the new 4-H year.

SENIORS: Remember that Dairy Challenge participation meets the requirement of participating in at least one state dairy activity which is necessary to show at the State 4-H Dairy Show 2018.

Participants will be divided into the following four age groups: 8/9, 10/11, 12/13, and 14-18.

Four different classrooms will be set up, and each participant will visit all four. Participants will take part in a short, instructed learning session that is followed by a written quiz to test what you learned. Session topics can be on just about anything, but all will be related to dairy.

Awards will be given at the conclusion of the challenge.
