Sometimes a great sounding song is not ok for 4-H use because of what the words (lyrics) say or imply. Read your lyrics carefully before you start to practice for a 4-H presentation and use the lyrics checklist (questions below) to see if you should pick another song. If the answer to any question below is “yes” you should pick another song. Suggestion: have at least two adults review the lyrics too using the checklist to make sure you haven’t missed anything.

When in doubt... check with your 4-H Educator OR PICK ANOTHER SONG
