Challenge starts: 10:00 a.m. (Our goal is to finish by 3:30 p.m.) Bring your lunch!

Come join in the fun and test your knowledge in all things dairy. We will have five to six different classrooms set up with a short, instructed learning session followed by a written quiz to test what you learned. There will be four age groups: 8-9, 10-11, 12-13, and 14 and older. The sessions could be on just about anything, but it will all be related to dairy. Awards will be given at the conclusion of the challenge.

*** SENIORS *** Remember that participating in the Dairy Challenge meets the requirement of participating in at least one state dairy activity, necessary to show at the State 4-H Dairy Show 2017.
