April 28 2015

**UVM credit opportunity for the eSAT Institute**

2015 eSAT students are encouraged to also take this summer’s institute for UVM credit. You must also enroll at UVM, if you choose this option. You may be eligible for **FREE** or reduced college tuition (see [http://www.uvm.edu/~summer/precollege/](http://www.uvm.edu/~summer/precollege/) or consult with your HS guidance counselor).

**Step 1: Register.** Go to: [http://go.uvm.edu/z7exn](http://go.uvm.edu/z7exn) to begin. UVM has an on-line registration site that requires having your high school guidance counselor and your parents respond to UVM via email. Make sure you answer all of the questions about Vermont residency, your rising grade level for next fall, and if you have used your dual enrollment vouchers. You will then check the box that says: “You will now be directed to the dual enrollment voucher request form.” Make sure you complete that form for a voucher number if you are using dual enrollment. Dual enrollment voucher processing must be complete by June 15 (UVM start date).

Select this course: **GEOL 095 Z1** (Dept., Course, Section), **Geology: Governor’s Institute on EST** (Title), **Paul Bierman** (Instructor), **June 15-June 27** (Dates), **3** (Credits), and **60491** (Course Registration Number).

**Step 2: Parent approval and UVM fees.** In addition to your guidance counselor sending in permission electronically, your parent must also send in approval electronically. The UVM Registrar will then send you an email within 24-48 hours confirming your registration. You (student) will owe the comprehensive fee of $30 and this bill will be sent to you via a billing notification sent to your **new UVM email** (step 3 below) during the next billing cycle. (If you are registered before May 13 you will receive this around May 15; registrations before June 15 will bill around June 19.)

**Step 3: Set up a UVM NetID and email account.** The Registrar at UVM will send you instructions on how to set up your UVM email account. Please set this up and send instructor, Paul Bierman, paul.bierman@uvm.edu, a quick ‘hello’ test message. Please check this email in the coming weeks!

**More information:** Nichole Hathaway is the High School advisor at Continuing Education at UVM. She can be reached at: 802-656-4682, Nichole.Hathaway@uvm.edu. Christine Massey, eSAT Director, is also available at: christine.massey@uvm.edu.
