COURSE DESCRIPTION
This conference is designed to present current clinical management issues in surgical patients for the general surgeon in practice, nurses and other health care professionals in the field.

Registration is limited to allow personal contact with the faculty in order that each participant will be able to tap the resources available for his/her own clinical scenarios.

OBJECTIVES
Following this conference, participants attending this course should:
1. Be able to discuss the use of percutaneous cholecystostomy tube in selected patients as a means of decreasing morbidity in a high risk surgical group.
2. Be able to identify the causes, diagnosis and treatment of chronic groin pain in patients undergoing an open inguinal hernia repair.
3. Be able to discuss the etiology and pathophysiology of pancreatic necrosis, and to determine when to operate and when to aspirate.
4. Be able to discuss the types of imaging, follow up, conservative management, sampling and the type of operation for liver lesions, if needed.
5. Identify best practices to avoid anastomtic leaks.

ACCREDITATION
The University of Vermont College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The University of Vermont designates this live activity for a maximum of 10 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This program has been reviewed and is acceptable for up to 10 Nursing Contact Hours. (Expiration: 1/28/15)

REGISTRATION & CANCELLATION
All course materials, coffee breaks and reception are included. Refunds, less a $75 administrative fee, are available if cancellation is made prior to January 7, 2013. No refunds are possible after that date.

Course #13-801-02
Wasef Abu-Jaish, MD, FACS
Assistant Professor of Surgery

Edward C. Borrazzo, MD, FACS
Associate Professor of Surgery
Chief, Division of General Surgery

Peter A. Cataldo, MD, FACS
Professor of Surgery

William E. Charash, MD, PhD, FACS
Associate Professor of Surgery
Chief, Division of Trauma
Director, Surgical Critical Care

Antonio di Carlo, MD, CM, FACS, FRCS
Associate Professor of Surgery

Patrick M. Forgione, MD, FACS
Course Co-Director
Associate Professor of Surgery

John B. Fortune, MD
Professor of Surgery
Vice Chair, Surgical Education
Medical Director, Regional Trauma Center

Seth P. Harlow, MD
Associate Professor of Surgery

James C. Hebert, MD, FACS
Course Co-Director
Albert G. Mackay & H. Gordon Page Professor of Surgery

Neil H. Hyman, MD, FACS
Samuel B. & Michelle D. Labow Professor of Colorectal Surgery
Co-Director, Digestive Disease Center

Allen A. Lee, MD
Assistant Professor of Medicine, Gastroenterology
Director, Gastroenterology Motility Lab

Susan E. MacLennan, MD
Associate Professor of Surgery

Jesse S. Moore, MD
Assistant Professor of Surgery

Michelle M. Sowden, DO
Assistant Professor of Surgery

Margaret A. Tandoh, MD
Assistant Professor of Surgery

Jon Yamaguchi, MD, FACS
Assistant Professor of Surgery
Interim Chief, Division of Transplant Surgery
Monday, January 28, 2013
Morning Session
7:00am Registration & Continental Breakfast for Participants
7:30 Management Strategies for Complicated Colon and Rectal Cancer
Peter Cataldo, MD
8:00 Hereditary CRC Syndromes and Familial Risk
Jesse Moore, MD
8:30 Anastomotic Leaks
Neil Hyman, MD
9:00-9:30 Question and Answer Session With Panelists

Afternoon Session
4:00pm Refreshments & Exhibits
4:30 Difficult Gallbladder Tips to Get Out of Trouble - From Percutaneous Cholecystostomy Tube to Sphincterotomy
Patrick Forgione, MD
5:00 Groin Pain after Inguinal Hernia Repair
Wasef Abu-Jaish, MD
5:30 Repair of Parastomal Hernias
Edward Borrazzo, MD
6:00 Question and Answer Session with Panelists
7:30 Reception for Participants and Families

Tuesday, January 29
Morning Session
7:00am Continental Breakfast for Participants
7:30 What’s New in Sepsis
Margaret Tandoh, MD
8:00 Update on Vent Modes for the General Surgeon
John Fortune, MD

8:30 Hemorrhage: Medical Management Through the Eyes of a Surgeon
William Charash, MD, PhD

9:00-9:30 Question and Answer Session With Panelists

Afternoon Session

4:00pm Refreshments & Exhibits

4:30 Pancreatic Necrosis: When and How to Operate
James Hebert, MD

5:00 Cystic Lesions of the Pancreas: Wait or Operate?
Antonio di Carlo, MD

5:30 Incidental Liver Lesions: Imaging, Sampling and Operating
Jon Yamaguchi, MD

6:00 Question and Answer Session with Panelists

6:30 Adjourn

Wednesday, January 30
Morning Session

7:00am Continental Breakfast for Participants

7:30 GIST and Desmoid Update on Treatment
Seth Harlow, MD

8:00 New Techniques in Breast Surgery: From Oncoplastic to Nipple Sparing
Susan MacLennan, MD, Michelle Sowden, DO

8:30 Chronic Right Upper Quadrant Abdominal Pain and normal LFTs after Lap Cholecystectomy
Allen Lee, MD

9:00 Question and Answer Session with Panelists

9:30 Conference Adjourns
HOTEL INFORMATION
A block of beautifully appointed rooms has been reserved at the Stowe Mountain Lodge. Please call the Lodge by December 27 (888-478-6938 or 802-760-4755) and indicate your participation in this course to obtain our discounted rates: $259 plus 10% state and local tax single or double occupancy, for studio accommodations. There is a $7 daily parking charge. Room rates cannot be guaranteed after December 27. To ensure room choice and availability, it is recommended that you make your room reservations as soon as possible.

ADDITIONAL ACTIVITIES
A welcome reception for speakers, registrants and families will be held on Monday evening.

TRANSPORTATION
By Car: Follow I-89 in Vermont to Exit 10, Waterbury/Stowe. Follow Route 100 North for approximately 11 miles. Turn left at the flashing red light in the village of Stowe onto Route 108 (Mountain Road). The Stowe Mountain Lodge will be located approximately 7.6 miles further on the right-hand side.

By Air: Burlington International Airport at Burlington, Vermont (only 45 minutes to Stowe) is served by several major airlines. Consult your travel agent or airline reservation desk for information.

ENJOYING STOWE
Enjoy the slopeside ski in/ski out convenience of the Stowe Mountain Lodge. The best in alpine skiing is found at Stowe’s Mt. Mansfield and Spruce Peak complex. Mt. Mansfield is Vermont’s highest peak and offers a wide range of terrain for every ability level. It’s known for the double-black diamond (most difficult) “Front Four” trails, but also offers some great intermediate cruisers and a lovely group of beginner trails in the Toll House area.

Discounted alpine ski ticket vouchers will be available at registration. One voucher will be required for each single or multi-day ticket you wish to purchase. Please pre-order vouchers by completing the appropriate section on the registration form. (Note: Vouchers for rentals, lessons and children's adventure program will also be available.) For more Stowe information: www.gostowe.com

Stowe's interconnected cross-country ski centers provide one of the largest, most diverse trail systems in the United States. More than 150km of groomed and 100km of back-country trails criss-cross Stowe's landscape.

FLASH DRIVE VS. SYLLABUS
Please indicate on the registration panel if you wish to receive a flash drive with pdf versions of the presentations, or if you wish to receive a syllabus book with printed handouts. If you choose flash drive, then you will be required to bring your laptop. Extra books will not be available. For an additional $15, you may receive both a binder and a flash drive.
