Course Description
Back once again with the latest information relevant to dermatology, Advanced Dermatology for Primary Care is designed for the non-dermatologist and will focus on practical office dermatology. Primary care physicians, nurses, physician assistants, nurse practitioners and other medical professionals with an interest in dermatology are encouraged to attend. Faculty will present a wide spectrum of common dermatological problems and emphasize effective management. Ample opportunity will be given for questions during the lectures and at the end of each session.

Two intensive hands-on workshops featuring biopsy, excision, simple repairs, cryosurgery and electrosurgical techniques will take place on Sunday morning. Participants will be expected to bring some surgical instruments. More detailed information will be provided upon receipt of your registration. A live patient demonstration will be available at the UVM Medical Center to illustrate the injection of botulinum toxin for glabellar and forehead wrinkles (must have valid VT medical license to actively participate in the botulinum toxin workshop).

Objectives
1. Describe the pathophysiology of the most common dermatologic problems such as acne, dermatitis, psoriasis, skin infections and skin tumors.
2. Identify current therapies available for these conditions and how they are administered.
3. Apply proper dermatology coding.

Registration
Physicians: $540 Lectures and Concurrent Workshops; $440 Lectures Only. Health Professionals and Residents: $440 Lectures and Concurrent Workshops; $340 Lectures Only. **$15 discount on tuition applies if you choose to receive your syllabus as an electronic file.** An additional $125 fee will apply for those attending the Botulinum Toxin Workshop. There will be limited enrollment. Fee includes syllabus, breakfasts and breaks. ### Transportation

The Burlington International Airport is served by several major airlines. Autorentals are available at the airport, but should be reserved in advance. Hotel van service is available upon request.

Burlington is an easy 4-hour drive from Boston, just 1.5 hours from Montreal, and 7 hours from New York City.

**Hotel Information**

A block of rooms has been reserved at the Hilton Hotel, located at 60 Battery Street in downtown Burlington. Individual guest reservations may be made by calling 1-800-HILTONS (800-445-8667). Please mention your participation in this course to receive the conference rate of $189-209. Please be sure to book early as the hotel sells out during this time of year. Room rates cannot be guaranteed after September 6, 2016.

**Hotelvan service** is available upon request.

### Recreation / Leisure Time

This course, combining an intensive program with a long weekend timetable, is designed so that participants are free in the afternoons to enjoy the beauty of Vermont. Burlington is ideally situated on the shores of Lake Champlain, the sixth largest freshwater lake in the U.S. and offers great shopping and excellent restaurants. Echo at the Leahy Center for Lake Champlain provides fun learning activities for children on the ecology, history and culture of Lake Champlain. Historic Shelburne Farms and the Shelburne Museum, an eclectic collection of Amencana, are a 20-minute drive from the hotel. Within an hour drive are the Ben & Jerry’s Ice Cream Factory, UVM Morgan Horse Farm, and the world’s largest granite quarry.
