 - i. Sugar snap usually does delivery fee and UVM fee. Probably more like over \$100.00. DURING THE TALENT SHOW.
5. Human Figure Drawing, *Lynn Sipsey* : New SIG YES
 - i. Meet once a month on Mondays from 6-8:30. A model costs \$50.00 X 8 months. We need a faculty member. 10 people came to the last event. Could this be more inclusive of other artistic endeavors? Planning for the commencement ceremony for the donors. HSF for next year. Students bring their own supplies. The most important funding is for the models.
6. Space Medicine Explorers Association, *Claire Park* : New SIG YES
 - i. The evolution of space medicine. Lower the cost of orbit could lead to more people going into space. Aerospace medicine falls under preventative medicine. Dr. Kaminski is on board. We need the department and contact information. MD familiar with space environment.
7. Psychiatry SIG, *Miles Grunvald* : New SIG YES
 - i. 20 people for lunch. Maybe \$200.00. There is a strong leadership core. 4 lunch events from now until summer. Brown bags may be more realistic for next year. Pull people in with food? There has been no contact with previous Psychology SIG.
8. SIG Process changes
9. SIG BUDGET
 - i. We are a little bit over. We are about \$800.00 over. Added \$6,000.
 - b. Task Force
 - i. SIG people from each class + Paul + president elect.
10. Film Screening Program
 - a. SIGs showing films
 - b. Funding

- i. How to budget for SIG.
- 11. Talent Show updates
 - i. Mike judges. The talent show. Prizes for different acts instead of a “winner”.
- 12. President elect (should be next week)
 - i. Dan will be president starting Match day
 - ii. OSLER video. There will be a banquet May 14th. Start now. 30 people will need to be recruited (show them an example). This is to support the 4th years. Need video editing person involved. People need to write skits. A 10-15 minute video that will capture medical school. They will ask the fourth years to send information and have a point person to deal with this specific part. Presents to the fourth year student council people. The staff and faculty should be a part of this as well.
- 13. *Kiersten Hallquist* : Student council rep for access/privileges to student class listservs
 - a. One page proposal about why we should have access to MELT
 - b. Generate bullets for this proposal
 - i. Student events for example the talent show
 - ii. Transparency is important and direct communication is important
 - iii. Reduce redundancy
 - iv. Timeliness
 - v. One person representing (chair of communications)
 - vi. One email from a student council member actually being read
 - vii. We use Facebook, but this is not a good tool
 - viii. Things get buried in the weekly wire
 - ix. OSLER video
- 14. Dr. Imbasciani will serve as the Class of 2015 Commencement Keynote Speaker
- 15. CPR and First Aid training for medical students: *David Leon*
 - i. We get it before clerkship
- 16. Yearbook, *Ryan Hendrix*
 - i. It seems like it might not be worth it. Where should we go with it? Student affairs team meeting should talk about this. Johnston’s contract—should we still have this? The portal is not user friendly. We should not get rid of yearbook, but there are other options.
- 17. Med school ice hockey team vs. Dartmouth
 - i. “The Specimen Cup”. Should we sponsor some kind of event? Will it come out of SIG funding? This could come from OMSE? It is happening in March.
