GRADUATING CLASS of 2017
UNIVERSITY OF VERMONT LARNER COLLEGE OF MEDICINE

In just a few short months you will be graduating from the Robert Larner, M.D. College of Medicine. In preparation for May’s Commencement, you need to order your regalia now, since the University’s medical regalia is custom made and will take several months to produce.

To assure proper delivery for Commencement, please order your regalia through the UVM Bookstore website, using the provided link, between Wednesday, January 11th, 2017 and Monday, February, 6th, 2017. DO NOT MISS THIS DEADLINE--THIS IS YOUR ONLY OPPORTUNITY TO ORDER REGALIA. Please select among the five regalia options: complete medical regalia, medical hood only, medical gown only, four sided and tassel only, or tassel only. As you complete the check-out process you will be prompted to enter your height and weight to ensure your gown properly fits.

There are two shipping options:

- Regalia can be sent via campus mail to your Given Box for free by selecting the “Deliver to Given” option from the shipping drop down menu. If you select the Deliver to Given option, please be sure to include your Given Box number as part of your address.

- Regalia can also be shipped via US Mail to an individual address by selecting the “Standard Ground Shipping & Handling” shipping option. If shipping your regalia, be sure to enter a valid shipping address for a location at which you will be receiving mail at the end of April/beginning of May as the medical regalia will not arrive until that time.

If you have questions or problems, please contact Brittany Willette at the College of Medicine at 802-656-0728 or brittany.willette@med.uvm.edu, or Brendan Andrews at the UVM Bookstore at 802-656-1448 or bandrews@uvm.edu
