#### Introduction

You are in the business of terming if you cultivate, operate, or manage a term for profit, either as owner or tenant. A term includes tivestock, dairy, poultry, fish, fruit, and truck terms. It also includes plantations, ranches, ranges, and or-phants.

This publication explains how the tederal tax laws apply to terming. Use this publication as a guide to figure your taxes and complete your farm tax return. If you need more information on a subject, get the specific IRS tax publication covering that subject. We refer to many of these tree publications throughout this publication. See chapter 15 for information on ordering these publications.

The explanations and examples in this publication reflect the internal Reviews Service's interpretation of tax laws enacted by Congrees, Treasury regulations, and court decisions. However, the information given does not cover every situation and is not intended to replace the
