Subject: Marking of Cartons
Date: January 17, 2008

-
- All Egg Cartons must be plainly and conspicuously marked with the following
 1. Proper Grade and Size
 2. Producer or Packer Name and Address - This can be done by using a mailing label, marking the carton, or by using a sign in front of the egg display.
 - Make sure to cross out any brand name, U.S.D.A. shield or Seal of Quality markings on used cartons.
 - Eggs must be clean and unbroken.
 - Cartons must be clean.

If you have any further questions, please contact Henry Marckres at (802) 828-3458.
