Dear Friends and Colleagues,

I hope you will join me in supporting this year’s UVM United Way campaign.

The United Way of Northwest Vermont strengthens the fabric of our community by ensuring that the most basic needs of all are met. Your gift to United Way harnesses the power of multiple non-profits that work together to solve our community’s biggest challenges. United Way efforts have helped reduce homelessness, increase food security for children, and reduce substance abuse. For example, the Foster Grandparent program helps children learn to read while engaging seniors and retirees in our community. The Working Bridges Program supports new Americans as they adjust to life in Vermont. These programs and others like them work. They make a difference! This is why I personally support United Way. I hope I can count on you to join me in building UVM’s support for our community through a contribution to United Way.

We have set a University-wide goal of reaching a 20% participation rate in the UVM employee campaign.

Please join us for the 2017 UVM United Way Campaign Kickoff event on Wednesday, October 18 between Noon and 1:00 p.m. in the Davis Center Olin Atrium. While you’re there, enjoy a complimentary scoop of UVM Dairy Bar ice cream!

Let’s help those in need. Let’s make a statement about UVM’s dedication to supporting our community. Please join me.
