

Liability Issues – Chap 24

- **Drift** – movement of pesticide off-target
- **Target Site** – injury or pesticide failure
- **Personal Injury**
- **Wrong Site** – Double check address or farm field
- **Honeybees** – death caused by drift or misapplication
 - **VT Regs** – applicators must notify apiculturists that have hives on the premises
- **Attractive Nuisance** – don't leave application equipment & pesticides unattended
- **Cross-Contamination** – tank residues, herbicide vapors.

Liability

- **Protect yourself and your business:**
 - Make all pesticide applications in accordance with the regulations and the label directions.
 - Keep accurate and thorough records.
