

Program Overview

This program will provide training and review of Vermont Pesticide regulations and the information covered in the **Pesticide Applicator Training Manual** that is necessary to understand and to pass the VT pesticide certification license exam.

The Core exam will be given after this training in the afternoon from 2-5pm.

(No category exams will be given but can be scheduled with VAA for a later date.)

It is necessary to study the Core manual **BEFORE** the training on March 26, to have all the knowledge necessary to pass the exam. Manuals can be purchased in advance from VT Agency of Agriculture for \$33.00. Call Matt Wood at 828-3482 to purchase a manual.

Audience

Nursery employees, landscapers, school custodial staff, farmers, garden center employees or anyone wishing a Vermont Pesticide Applicator license.
