Internship Title:  Williston Conservation Commission Summer Intern

Internship Site:  Williston Town Offices, Williston, VT

Description: Assist with a variety of environmental planning projects, including water quality sampling, stormwater discharge surveys, stream geomorphic assessment, GIS data entry and mapping, trail restoration and maintenance, and stream restoration. Approximately 50% of this internship will involve trail and park maintenance.

Desired qualifications/skills/coursework: Applicants should have experience with GIS data entry/mapping as well as some or all of the duties described above, be comfortable working both as a team and independently in the field, and have access to a reliable motor vehicle. Ability/aptitude for light carpentry is a plus. The ideal applicant will have leadership experience and/or experience supervising others.

*Rubenstein students currently in their first year, sophomore and junior year are eligible to apply.*

Supervision: Town of Williston Planning & Zoning Environmental Planner

Start and End Dates: Mid-May – Mid-August, 2016 (exact start/end dates are negotiable)

Total Hours: 40 hours/week, 12 weeks

Compensation: $12.50/hour. Earning internship credit through the Rubenstein School Internship Program is required.

How to apply: Step by step application instructions are available on the Rubenstein Perennial Internship Program website. Applications are due by 4pm, Friday, January 29th, 2016 through Blackboard.
