Bill Recognizing Engineering World Health

WHEREAS, the Student Government Association recognizes that Engineering World Health will have a positive impact on the students at the University of Vermont and provide them with a unique club experience,

WHEREAS, Engineering World Health will contribute to students' overall experience at UVM by providing students with hands-on experiences in order to learn and understand the roll that engineering can play in health care, particularly in low-income settings,

LET IT BE KNOWN that Engineering World Health is a recognized club by the Student Government Association at the University of Vermont as long as it stays in good standing with the Student Government Association, follows the Code of Conduct, and keeps the Club Affairs Committee updated each semester.
