Resolution in Support of the Implementation of a Faculty Advisor Evaluation System

WHEREAS, Advising is used as a factor in the tenuring process for faculty at the University of Vermont;¹

WHEREAS, Advising is currently an area of extreme dissatisfaction for University of Vermont undergrads;²

WHEREAS, A faculty advisor evaluation system may help the administration in faculty tenure decisions;

WHEREAS, An evaluation system would clarify to faculty and students any and all expectations that students may have of their faculty advisors,

BE IT RESOLVED, That the Student Government Association at the University of Vermont requests the implementation of a Faculty Advisor Evaluation System

BE IT FURTHER RESOLVED, That the Student Government Association at the University of Vermont requests that future Academic Affairs Committees work with members of the Faculty in order so that this evaluation system can become a collaborative effort.
