Name: Luke Liscio
Candidate Platform Statement:

Stay Groovy, UV

I believe I can bring a unique perspective to student government at The University of Vermont through my extensive travel experience and understanding of different cultures, social norms, and different environments. As an Economics major and Political Science minor, I took one year off to travel abroad, spending time in 12 countries and 30 U.S states. On the road, I learned about the economic and social issues of South America, as well as those of other countries. In my year abroad, I volunteered in many different fields while learning the local trades of different cultures. As a senator, I will bring a diverse background of experience to UVM. Having grown up in VT, I desire to share my own background, adventures, experiences, and perspectives to fellow students as an SGA senator at UVM in our great state of Vermont.
