The student will have the opportunity to learn about the Office of Community Standards on a small private campus. The student will have the opportunity to participate in staff meetings, student care and response meetings, and other departmental related initiatives. The tasks and projects will depend on the student’s interests and departmental needs. Specific tasks or projects may include (but are not limited to) the following:

1. Gain an understanding of overall department functions, including the student conduct process, Title IX investigations and academic integrity violations.
2. Serve as a hearing officer and participate in conduct review boards
3. Participate in education and outreach
4. Create educational resources
