Diversity Curriculum Review Committee (DCRC)

of the Faculty Senate Curricular Affairs Committee

Agenda

Thursday, February 16, 2017, 3:00 – 4:30 pm
Waterman 427A

I. Approval of minutes from the January 2017 meeting.

II. Review of course proposals.

1. ASL 120: Understanding Deaf Culture (Richmond), for D2 designation.
2. HLTH 095: Special Topics: Dismantling Rape Culture (Scacciaferro), for D2 designation.
3. HST 144: Religion & Politics in Islamic History (Ergene), for D2 designation.
4. HLTH 084: LGBTQ Health Disparities (Scacciaferro), for D2.
   NOTE: previously approved by the DCRC in March of 2015. This submission is in pursuit of a permanent catalog number; I do not believe further action by the DCRC is needed.
5. ANTH 095: Global Health, Development and Diversity (Shea), for D2. Note: this course was approved in October 2016; I’m not certain why it’s still showing up on Courseleaf for us, but am looking into it.
6. Note that BSAD 196, Contemporary Chinese Economy, does not need DCRC consideration. (It was to be withdrawn from DCRC consideration; I’m looking into that.)

III. Process for assessing existing D1 courses, continued. (Identify and charge sub-committee.)

IV. Process for revising DCRC webpages, continued. (Identify and charge sub-committee.)
V. Voting *in absentia* at DCRC meetings – continue discussion.

VI. Other business.
