6. NURS 200
7. SPAN 111: Race, Identity & Migrant Labor
8. GEOL 006: How the Earth Works

Brian Reed updates (5 mins)?
1. Data from registrar on sophomores completed SU courses
   - 3/27 = faculty senate presentation
2. Tracking transfer application process guide – Brian Reed update?

Permanent transfer policy discussion – Laura (if time allows)
Interim transfer policy for the Sustainability Requirement for AY 16-17

Any course that is transferred in during AY 16-17 as the equivalent of a UVM SU-approved course will thereby allow the transfer students to be approved in fulfilling the General Education Sustainability requirement.

Please note that the SCRC will collaborate with the Registrar's Office to gather data on how many transfer students met the SU requirement through the transfer mechanism during AY 16-
17. Given these data, the SCRC and other Gen Ed committees may collaborate to modify the transfer mechanism for Gen Ed requirements in AY 17-18.

Other Business:
Assessment update – Alan
