The University of Vermont TRIO Upward Bound Program is a federally funded program for low-income, potentially first-generation high school students. Our primary mission is to provide the necessary skills and motivational activities to help our participants complete high school, enroll in and graduate from college. From June 13 – July 21, 2016 we will offer a six-week, non-residential summer program (referred to as Summer College) on the UVM campus for up to 50 high school students from Burlington and Winooski High Schools.

Term: June 6 – July 22, 2016

Qualifications: Undergraduate or graduate student; Experience working with underrepresented youth; Demonstrated academic excellence and leadership ability; Strong interpersonal communication skills; CPR/First Aid certification; and,
A high degree of creativity, energy and enthusiasm.

Responsibilities: Participate in pre-program training; Provide tutoring & supplemental instruction to Program participants; Teach elective courses or workshops as assigned; Assist in classroom instruction; Design, participate in and supervise daily enrichment activities; Supervise participants’ daily sign-in and sign-out and at meals; Participate in and supervise field trips, including overnight trips; Participate in TC weekly meetings; and,
Participate in overall program evaluation.

Salary and Benefits: Salary is contingent on qualifications and experience ($2,100 - $2,300); On-campus housing available for term of employment;
Meals are provided Monday – Friday during training and Summer College. (Dinners are only provided on evenings of Program events.)
