<i>Additional Description</i>
Use of Little Giant Ladder Platform
<p>Common sense should be applied when executing any job. We do our best to implement hazard control measures such as engineering controls, administrative controls and personal protective equipment. When the hazard is still present the use of certain PPE may be required for one or more steps but not all of the steps. However, it may be prudent to don all required PPE for the duration of the JHA.</p>

Step/ Area	Task Step Description	Hazards	Control Measure	PPE Required
1	Use of Little Giant Platform Follow link in the "documents" tab	Falls	Follow instructional video PPE Proper ladder useage
