Why I'm running?

I'm running for Vice President because I'm confident in my ability to hold real and honest conversations with administration in the places where there are lapses in intermediary communication. I see how hard students work around this campus to call out injustices and to create a welcoming community for everyone. It's inspiring to me and I want to ensure that we don't lose that voice, that empowerment that makes people feel like they can go out and inspire real change in their community. I want more chairs at the table for everyone when this University decides decisions that affect our student body the most.

While on SGA

- Successfully led and organized the ad hoc for Fall 23' Week of Kindness
- Passed Resolution signed by students supporting UVM Staff United
- Implemented anti-bias preamble in course evaluations to mitigate bias that affects BIPOC and women faculty
