## My goals

- ensure UVM provides equitable access to services for gender-based violence
- hold administration accountable for statements and policies that don't support students
- push UVM to be more accessible for students including working elevators 24/7
- strengthen the relationship between students and administration

## What were my SGA projects last year?

A low cost emergency contraception vending machine in the Davis Center.

Coming Fall 2024!!

Streamlining communication between SGA + Clubs

## Why me?

- I will continue working to build a better relationship between SGA and clubsigners
- I believe in the importance of respectful discourse and the diversity of perspectives
- I believe in an equitable education for all
- I will foster a legitimate sense of inclusion on campus
