

Hi I'm Megan!

About Me

Hi! My name is Megan Steele and I am a rising Junior at UVM. I am a Secondary Education major with a concentration in History and Social Studies with a Religion minor (incredibly long degree title). I am passionate about helping others and facilitating student connections on campus. My goal if elected is to make sure student organizations are well supported!

Why SGA?

I am running for SGA because I believe it is an amazing opportunity to get involved in my community which is important to me.

Hearing other people's stories, learning from them, and helping those who may need it is just the tip of the iceberg, and I am excited to get out there and do what I can to best serve the UVM community!

My Experience

- While I have not held a leadership position here at UVM, I was quite involved in high school with student affairs. During my high school years, I was:
 - President of the school service club
 - President of the International Thespian Society
 - Secretary of the Executive Board of the Student Council
 - Stage Manager for all on-stage productions
 - Co-Chair of No Place For Hate Committee
