ABOUT ME!

I was born and raised in Vermont and am majoring in Neuroscience on a pre-med track! I love music, drinking coffee, and spending time with my friends!

GOALS

- prioritizing mental health and wellbeing of students.
- campus safety.
- student voice being heard and valued.

WHY ME?

- I was very engaged with student government and advocating for student voice in highschool!
- I am very passionate and willing to work hard to make everyone feel happy in their community!
- I spent my senior year helping to create and revise a new equity policy in my highschool!
