

Zorianna Petrosyan

SGA Senate '24 - '25

Current Senator on the Committee on Legislative and Community Affairs (COLCA)

Why I Am Running

I have always believed in the power of youth voices to create civically-engaged, inclusive communities that give back. If I am elected, I will work with fellow students to take their issues to SGA and help them create the change they want to see on and off campus.

About Me

- Sophomore from MA pursuing an **Individually-Designed Major** in the arts with minors in **Political Science and Psychology**
- Program Assistant for **UVM Civic Engagement (CE)**
- Vice President for UVM's **Armenian Students Association**

Goals

- Establish excused mental health days for students, staff, and faculty
- Expand grocery options on campus
- Uplift under-represented student voices
