Safe,
Healthy,
Comfortable
Living.

Safe Living:

- OVER THE COURSE OF THE NEXT FEW YEARS, UVM IS GOING TO REMOVE THE BLUE LIGHT SYSTEM
- I STAND IN OPPOSITION TO THIS DECISION
- I BELIEVE THE LIVESAFE APP IS A GREAT ADDITION IN HELPING TO KEEP STUDENTS SAFE, BUT I ASK YOU, WHAT IF:
 - YOU FORGOT YOUR PHONE?
 - YOU DON'T OWN A PHONE?
 - YOUR PHONE IS DEAD?
 - YOUR PHONE IS TAKEN?
 - DOES UVM CARE? NO.

I'M A LIFE LONG VERMONT AND AVID SKIER. DURING MY HIGH SCHOOL CAREER I WAS AN ACTIVE MEMBER OF MY SCHOOL NEWSPAPER, BECOMING EDITOR-IN-CHIEF MY JUNIOR AND SENIOR YEAR. I ALSO CONTRIBUTED MY TIME TO ENGAGING IN DIALOGUE SURROUNDING SCHOOL POLICY, HELPING TO SHAPE THE LANGUAGE TO BETTER REFLECT THE NEEDS AND WANTS OF MY PEERS. SPECIFICALLY, I WAS VERY ACTIVE IN MY HIGH SCHOOLS BRAND NEW EQUITY POLICY, A POLICY THAT WAS YEARS IN THE MAKING.

I BELIEVE REGARDLESS OF WHAT YOUR SITUATION IS YOU SHOULD BE ALLOWED TO SUCCEED AND THRIVE AT UVM. THATS WHY I CENTERED MY CAMPAIGN ON ISSUES THAT EFFECT ALL OF US.

Comfortable Living:

- UVM'S AGING DORM HALLS WERE NOT MEANT TO DEAL WITH THE NEW HOTTER SUMMERS VERMONT HAS BEGUN TO SUFFER FROM. SGA SHOULD WORK TOWARDS IMPLEMENTING MORE HEAT CONSCIOUS POLICIES AND PROJECTS.

Healthy Living:

- EVERY STUDENT DESERVES TO FEEL WELCOME AT UVM, AND DESERVES TO BE WELL BOTH MENTALLY AND PHYSICALLY.
- ADVOCATING FOR BETTER MENTAL HEALTH RESOURCES WILL BE A PRIORITY OF MY TIME IN THE SGA SENATE.
