

Ready 4 Freddie

SGA Class of 2027

My name is Freddie Tagupa (she/her), I'm from Norwich, VT, and I'm studying Communication Sciences and Disorders. I love being here at UVM, most of all I love trying new things, including student government. I like to meet new people, learn from them, and share my experiences. I want to be involved in my school community and provide a clear line of communication between the student body and the SGA.

As a Vermonter I have a deep care and appreciation for the state of Vermont. I love local food and want to be a part of the campus shift of incorporating more local foods into on campus dining as well as continuing open lines of communication about where our food is coming from... in fact some of the food comes from a farm a mile away from my house!
