

Maddi for UVM Senate

ABOUT ME

My name is Maddi Rice, and I am a first-year student studying Economics with a minor in Public Policy with hopes of pursuing a career in law. I love the outdoors and a good coffee shop, and I cannot wait to explore Burlington!

I am running for a position in the SGA Senate to empower the student body by listening to their voices and actively delivering effective change. I will strive to push UVM to reach its utmost potential and the pinnacle of quality with all its endeavors - academic, athletic, artistic, cultural, and much more. I am not afraid to speak up, and I will use my leadership skills and positivity to achieve beneficial results for everyone.

EXPERIENCE

Interned at the Connecticut Council of Governments working with economic advisors analyzing data to determine areas in need of economic development.

Led a project with the Sustainable Connecticut organization to research the construction of solar panels over a parking lot at my high school.

Volunteer work in my hometown including the organization of a Red Cross Blood Drive.

GOALS

Promote transparency of UVM's allocation of funding.

Increase environmental friendliness in dining halls by investing in more reusable utensils and dinnerware.

Connect UVM students to the local government to ensure their ideas are heard.

Create a visual map of the CATS shuttle route so students can easily plan ahead.

Boost funding for the formation of new clubs in order to reflect the variety of interests in the student body.
