NOTES: ¹Core course. ²HSCI 280 is a project based, service learning course with hours at a community partner site completed outside of class time. ³Any remaining distribution electives to fulfill general education requirements.⁴Six credits of approved health-related electives must be at or above the 100 level. Minimum of 120 semester credit hours: 36 credits in core courses in the major, 18 credits in approved healthrelated courses, 18 credits in natural and applied sciences, 12 credits in social and behavioral sciences, 6 credits in math/statistics (excluding STAT 111 and STAT 141), 6 credits in English (including ENGS 001), 6 credits in humanities, and 12 credits in free electives. HSCI 103 (D2), HSCI 230 (SU), STAT 111 (QR) and STAT 141 (QR) fulfill University requirements for graduation. Students must select a D1 diversity course. Transfer students need to take ENGS 001 if no equivalent has been completed. Course selection should be reviewed by a student's academic advisor.
