

Welcome to the Resource!

Dear Student,

We are delighted to announce that you now have unlimited access to the trusted Vault resource, to help you from start to end in your job or internship search!

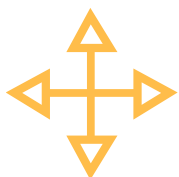

A comprehensive career resource, Vault enables you to research employers and industries, gain career advice, and apply to jobs and internships. Whether you are just exploring possible career paths or are ready for an interview, Vault can help.

Here's what you can do once you're inside:

- ▶ View and download career guides on different industries, companies, and general career topics for free
- ▶ Explore industries and watch Q&A videos by professionals in different fields
- ▶ Research top companies, and access verified employee and intern reviews
- ▶ View company and internship rankings according to overall caliber, quality of life, diversity, and other factors
- ▶ Access exclusive internship and job postings
- ▶ Gain career advice to get ahead
- ▶ And much more!

In today's tough job market, we want to help you maximize your chances of landing your dream job or internship. Log on to Vault today to get started!

Sincerely,
The Vault Team
