

Course Schedule Required for Completion of Communication Sciences MS Program: 2017-2018

Students must have completed all pre-requisite courses prior to the start of graduate course work in CSD. Comparable courses taken at the UG level, through CDE, or at another institution may not need to be repeated and may make room for elective courses. (See electives.) Students are required to enroll in Clinical Study, CSD 321-326, for each semester they are active in the program. In total, 48-56 credits of graduate coursework are required for the non-thesis track and 51-59 credits of graduate coursework for students who write a thesis. Equivalent graduate level coursework may be used to waive up to nine credits if approved by the graduate program coordinator, reducing the total number of in-residence credits needed for completion of the program.

Fall 1	Winter 1	Spring 1	Summer	Fall 2	Winter 2	Spring 2
Course (credits)	Course (credits)	Course (credits)	Course (credits)	Course (credits)	Course (credits)	Course (credits)
CSD 321 (1) Clinic Practicum Study 1	CSD 326 (1) Clinic Practicum Study 6 (optional)	CSD 322 (2) Clinic Practicum Study 2	CSD 323 (3) Clinic Practicum Study 3	CSD 324 (2) Clinic Practicum Study 4	CSD 326 (1) Clinic Practicum Study 6 (optional)	CSD 325 (3) Clinic Practicum Study 5
CSD 271 (3) Introduction to Audiology (if not previously taken)		CSD 272 (3) Hearing Rehabilitation (if not previously taken)		CSD 313 (3) Augmentative Alternative Communication		CSD 362 Thesis (3) (6 credits total of 362 required for thesis)
CSD 320 (3) Clinic Preparation & Management		CSD 327 (1) School Based Issues for SLPs		CSD 352 (3) Voice Disorders		CSD 363 (2) Non-thesis research
CSD 330 (1) Assessment of Stuttering		CSD 331 (2) Treatment of Stuttering		CSD 353 (3) Adult Neuropathologies		GRAD 397 (0) Master's Portfolio
CSD 340 (3) Speech Sound Disorders in Children		CSD 350 (3) Swallowing Disorders		CSD 361 (1) Research Methods II		GRAD 901, 902, or 903 (0) (to achieve full-time status if <5 hr.)
CSD 341 (3) Language Disorders		CSD 351 (3) Aphasia in Adults	CSD 360 (3) Research Methods Communication Disorders I (on- line)	CSD 362 (3) Thesis (6 credits total of 362 required for thesis)		
CSD 342 (3) Language/Learning Disabilities				CSD 363 (1) Non-Thesis Research		
Total 14 - 17	0-1	11 - 14	6	12-14	0-1	5 - 6

Grand Total = 51-59 credits with thesis; 48-56 credits without a thesis

List of Electives

Note: Students who have taken required courses prior to enrollment may choose to enroll in related elective courses. Elective coursework should be pre-approved by the Graduate Program Coordinator.

Note: Courses on the list below are not always available or may be offered in a different semester and may be supplemented by additional offerings from time to time.

Fall (CSD 311) Neurodevelopmental Disabilities I

Spring
(CSD 299) Autism Spectrum Disorders
(CSD 312) Neurodevelopmental Disabilities II

Summer
(CSD 287) Mindfulness and Helping Skills
