Frequently Asked Questions

General Questions

Q: How do I submit my documentation?
A: Submit your documentation directly to CastleBranch. Please note, UVM Student Health won’t submit your documents for you. You will need to pick up your documents and submit them to CastleBranch.

Q: What happens if I can’t submit my mandatories by the deadline?
A: It is imperative that you plan ahead to ensure that your mandatories are completed by the deadline. If you fail to submit your mandatories by the deadline, you will not be able to participate in your clinical experience and your instructor will be notified.

CPR Certification

Q: What CPR certifications will you accept?
A: American Heart Association Basic Life Support for Health Care Providers OR American Red Cross Professional Rescuer

Q: What if my CPR certification will expire during my clinical education experience?
A: It is your responsibility to be aware of your CPR certification expiration date. Your CPR certification is required to be valid for your entire clinical education experience. If your CPR certification will expire during your clinical, please renew it BEFORE your clinical starts and submit an updated copy of the front and back of your CPR card with signature(s).

Q: Will you accept the American Red Cross Challenge Exam for my CPR Certification course?
A: No, the American Red Cross Challenge Exam is not accepted. It serves as a refresher and not a certification course.

Q: How do I find out about upcoming CPR classes?
A: CNHS offers CPR classes at least twice per semester. You will receive email notices regarding how to sign up for upcoming CPR class dates.

HIPAA/OSHA Training

Q: How often do I need to complete HIPAA/OSHA training?
A: Program requirements vary. Please check the mandatories information for your program.

PPD

Q: If I have a PPD Skin Test and it is positive, what should I do? First time positive only
A: You will need to be assessed to determine why the skin test is positive. Reasons may include previous BCG vaccine, latent TB (exposed, but not active), or active TB. This will require a symptom review and chest x-ray. You will need to provide a copy of the radiology report.
Q: If I have a history of a positive PPD, what should I do?
A: Do not get another PPD skin test because this will continue to result as a positive. Instead, ask your health care provider to perform a TB Symptom Check. Bring your TB Symptom Check form to your appointment.

Additional Questions

Q: How will I know when my mandatories have been completed?
A: Is it your responsibility to keep track of the documents that you submit to ensure you have met all requirements.

Q: Does CNHS cover the cost of my immunization and serology work?
A: It is your responsibility to cover the cost. If you visit Student Health for your immunization and serology work, you can request a receipt and file it along with the claim to your insurance company.

Q: Who do I contact if I have additional questions?
A: Medical Laboratory and Radiation Sciences Department Contact
