Congratulations, you're admitted!
Are you wondering what’s next? We’ll guide you...

**COMPLETE YOUR ENROLLMENT AT UVM**

As a first step toward enrolling at the University of Vermont (UVM), you must complete the process of requesting your I-20. Our Office of International Education will send you instructions for requesting your I-20 to the email listed on your admissions application.

To complete the enrollment process, you must pay the $495 acceptance fee by the date in your letter. Payment options:

- Preferred method: pay online by e-check or credit card (MasterCard, American Express, Discover or Visa). Visit [www.uvm.edu/admitted](http://www.uvm.edu/admitted) for enrollment details.
- Send a check or money order payable to the University of Vermont with your full name, UVM ID number (95XXXXXXX) and date of birth. We cannot accept cash.
- Notify any other colleges to which you’ve been admitted that you plan to attend UVM.
- If your plans to enroll change before your payment deadline, you may request a full refund of the acceptance fee. After this date, the fee is non-refundable. Please put your withdrawal request in writing by sending an e-mail to the Office of Admissions at admissions@uvm.edu.

**ORIENTATION AND REGISTERING FOR CLASSES**

You will receive information from your dean’s office or academic department that will assist you in the selection and registration of courses for the fall semester. You may also wish to contact them directly at the number indicated in the last page of this document. Please make sure that you submit all final secondary school and/or college transcripts at the completion of your spring semester to ensure that any relevant course work and/or examination results can be considered for transfer credit.

International Orientation is scheduled for August 23-27, 2017 (with arrival days of August 21 or 22). You will be contacted by UVM to sign up for international student orientation. This orientation is required for all international students new to UVM. During the week you will learn information important to your success at UVM, have time to meet new friends, and settle into your new environment. Students will work with their academic unit over the summer to prepare fall coursework and finalize schedule during orientation.

Learn more about UVM orientation at [uvm.edu/orientation](http://uvm.edu/orientation).
REQUEST UNIVERSITY HOUSING

First-time, first-year students are required to live on campus. The Department of Residential Life will email you details at your UVM email address once you pay your acceptance fee. This communication will include information about completing your housing and meal plan contract.

University housing is available, though not required, for transfer students. Transfer students who are under age 20 prior to the first day of classes on August 28, 2017 are guaranteed University housing. Transfers age 20 and older may request University housing and can expect a high likelihood of receiving it. A link to our Housing Request Form will be sent to you by email along with instructions for activating your UVM NetID and how to add your name to the housing request list.

Most transfer students who choose to live in off-campus apartments reside close to UVM. Due to limited rentals in Burlington, we strongly encourage you to research housing options as soon as possible, if not already residing in the area. Please contact the Office of Student and Community Relations at oscr@uvm.edu.

CREDIT EVALUATION FOR TRANSFER STUDENTS

The UVM Office of Transfer Affairs will evaluate your previous college-level credits and make the results available at uvm.edu/admissions/appstatus. Once enrolled at UVM, you will meet with an advisor to determine how transferred courses fit into your UVM program of study. You may also be asked to submit course syllabi and/or additional materials for review which must be provided in English.

If you are currently enrolled at another university/college or have completed courses that do not appear on the transcript you submitted with your application, ask the registrar’s office at your current institution to forward an official copy of your final transcript to the Office of Transfer Affairs, University of Vermont, 360 Waterman, Burlington, VT 05405, USA as soon as possible. Information on your final transcript may affect your course selection for the fall semester.

VISITING CAMPUS

If you are able to visit campus before making your decision, please join us for an Admitted Student Visit Day; make a reservation online at uvm.edu/visit. Learn more about these programs at uvm.edu/admitted.
