The Middle Grades Collaborative invites you to its seventh annual conference:

Democracy in Education

Showcasing Effective Middle Grades Practice Statewide

Join us for more than 30 concurrent sessions offered by Vermont educators presenting on action research and practice in their own classrooms. Topics range from tech integration to literacy to integrative curriculum... all in the middle grades!

Featuring Internationally Renowned Speaker and Author
Dr. Nancy Doda

Beyond Ordinary: Powerful Learning for the Middle Years

We are pulled in so many competing directions, but it is time to renew our faith in what matters most for young adolescent learning in the middle years. Join me to explore the big ideas that should lift us right up over the bureaucracy and into the hearts and minds of our young people.
